

The only vehicle rental company in Edenbridge

Saxons Self Drive Hire are a family owned rental company which started in 1998 in Biggin Hill with just two hire vehicles to their name. Saxons are part of Practical Car & Van Rental, the largest British vehicle rental franchise in the UK with over 170 rental locations and the 4th biggest vehicle rental company in the country.

The Saxons fleet now consists of 130 vehicles and there are offices in Bromley and Edenbridge as well as their head office in Biggin Hill. The Edenbridge office is located in the Wiles Centre on Commerce Way (TN8 6ED) where you'll often see one of their branded vans parked outside.

The Edenbridge office is manned 6 days a week from 8.30am by Gary who has been with the company for many years. Rental vehicles can either be collected from their office or arrangements can be made to have the vehicle delivered direct to your door or outside of normal hours by arrangement.

Whatever your vehicle requirements, Saxons are sure to be able to provide you with something

to meet your needs. Their range of hire vehicles include:

- Micro-cars
- 4x4s
- 7-seaters
- Minibuses
- Tippers

- Vans (normal or with chillers)
- 7.5T trucks
- Motorhomes (2-6 berth)
- Wheelchair Access Vehicles (WAV)
- Campervans (new this year)

Automatic vehicles, diesel variants, child seats and satellite navigation systems are also available on request. You can either book your hire vehicle online using a sophisticated booking system which allocates vehicles in real time, or give the local office a call and organise everything over the phone.

All of their vehicles are able to be taken overseas. As long as the team know where you will be going and how long for, they will arrange the additional breakdown cover and insurance for your trip.

Rental periods for all vehicles can run from a single day to a four year hire contract. You can either choose to organise your own insurance for the hire vehicle or include this with your booking.

One way rentals are also an option as collection and drop-off from the same location is not always suitable for everyone.

To hire a standard vehicle you must be aged between 23 and 70 and have held your driving licence for at least 2 years. For minibuses, people carriers and 7.5T trucks there are other requirements.

All vehicles hired through Saxons Self Drive Hire come with 24-hour breakdown and recovery service to give you peace of mind.

The service is completely flexible and competitively priced and what's more, they are the only car rental company in our local area!

To find out more or to book your next hire vehicle, visit the websites at:
